## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Westlake Charter School  
Sacramento, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Westlake Charter School (the Organization), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of the Organization as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

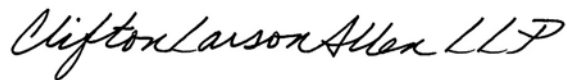

**Other Matters**

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the Organization's financial statements as a whole. The accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated November 26, 2018 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**WESTLAKE CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2018**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Westlake Charter School (the Organization) is a California nonprofit public benefit corporation created by parents and educators in the Natomas area. The Organization serves children from kindergarten through eighth grade. The Organization was comprised of two charter schools: Westlake Charter School (the Elementary) and Westlake Charter Middle School (the Middle School). The Elementary school was approved in 2005 by the Natomas Unified School District (the District) and the Middle School was approved in 2011. The District has granted the Elementary through June 30, 2020 and the Middle School charter through June 30, 2016, subject to amendment and renewal. As of June 30, 2016, the Middle School ceased operations and all grade levels are to now served under the Westlake Charter School's charter. The charter may be revoked by the District only for material violations of the charter, failure to meet student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management or violation of any provisions of the law.

The Organization has a Memorandum of Understanding (MOU) with the District whereby they pay the District 3% of the school's per pupil revenues to provide administrative oversight and facilities.

The Organization is funded principally through state of California public education monies received through the California Department of Education and the District.

**Cash and Cash Equivalents**

The Organization defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

**Functional Allocation of Expenses**

Costs of providing the Organization's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

**WESTLAKE CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2018**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Financial Accounting Standards Board.

**Net Asset Classes**

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Net assets of the Organization are defined as:

**Unrestricted**

All resources over which the governing board has discretionary control to use in carrying on the general operations of the Organization.

**Temporarily Restricted**

These net assets are restricted by donors to be used for specific purposes. The Organization's temporarily restricted net assets as of June 30, 2018 consist of California Clean Energy Jobs Act funding and there was no activity in temporarily restricted net assets for the year ended June 30, 2018.

**Permanently Restricted**

These net assets are permanently restricted by donors and cannot be used by the Organization. The Organization does not currently have any permanently restricted net assets.

**Receivables**

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2018. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

**Property Taxes**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Organization is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**WESTLAKE CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2018**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Compensated Absences**

The Organization does not allow employees to carryover unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2018.

**Revenue Recognition**

Amounts received from the California Department of Education are recognized as revenue by the Organization based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in temporarily restricted net assets.

**Contributions**

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as temporarily restricted. Restricted contributions that are received and released in the same period are reported as unrestricted revenue. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Income Taxes**

The Organization is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Organization files informational returns in the U.S. federal jurisdiction, and the state of California. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

**Subsequent Events**

The Organization has evaluated subsequent events through November 26, 2018, the date these financial statements were available to be issued.

**WESTLAKE CHARTER SCHOOL  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2018**

**NOTE 2 CONCENTRATION OF CREDIT RISK**

The Organization maintains substantially all of its cash in the County of Sacramento Treasury (the County). The County pools these funds with those of other educational organizations in the county and invests the cash. These pooled funds are carried at costs which approximates market value. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool. The County is authorized to deposit cash and invest excess funds by California Government Code Section 53648 et. seq. The funds maintained by the County are either secured by federal depository insurance or collateralized. The fair value of the Organization's deposits in this pool as of June 30, 2018, as provided by the pool sponsor was approximately \$6,661,000.

**NOTE 3 EMPLOYEE RETIREMENT**

**Multi-Employer Defined Benefit Pension Plans**

Qualified employees are covered under multi-employer defined benefit pension plans maintained by agencies of the state of California.

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the Organization chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The Organization has no plans to withdraw from this multi-employer plan.

**State Teachers' Retirement System (STRS)**

Plan Description

The Organization contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. **INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Westlake Charter School  
Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Westlake Charter School (the Organization), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated November 26, 2018.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**
