

WAVE Presents

SOUPS & STORIES

Family Reading Night

FRIDAY, MARCH 11TH

6:00-7:30PM

DEL PASO CAMPUS MPR

Come out and enjoy an evening with Westlake Charter families as we come together to share a meal and the love of reading.

There will be something for everyone!

We will have a book exchange, volunteers reading their favorite stories and books, food and refreshments. We will be featuring some of our middle school students as they present their poetry.

Book Exchange!

We will be collecting books all week for the book exchange. Please bring gently used books to the donation box in the Del Paso and Pebblewood offices. (Please, no magazines, board books, or workbooks.) The more books you bring the more students get the opportunity to go home with a “new” book. *Large donations are happily accepted—this helps us to provide books to those students who are unable to donate*

What can you do to help?

- Volunteer to bring soup, bread, or cookies
- Volunteer to read
- Volunteer to set up and/or clean up
- Encourage your middle school student to sign up to present their poetry
- Donate gently used books
- Come out and enjoy the evening!

We look forward to seeing you there!
