

Calling All Explorer Volunteers!

Westlake Charter School and BASE are piloting an after-school club program that provides free, quality activities for students. The clubs will provide enrichment opportunities to WCS students and are an excellent way for parent volunteers to connect with the school community.

Do **YOU** have an interest in teaching Westlake students a new talent, sport, or craft? If so, we'd love to have you volunteer! It's a great way to give back to our school AND earn parent hours!

Clubs will start the week of May 2nd, 2016 and conclude the week of June 13th, 2016.

Teach your talent, sport, or craft:

- one hour time slot
- once a week
- for six weeks

Classes can range from origami to sports to mythology - anything you love! We will provide training before the clubs begin to help you share your talents with our Explorers.

If you want to volunteer, please take a moment to complete the form on the reverse and return it to the Del Paso or Pebblewood BASE room by March 27th, 2016. If you prefer, you can complete the form digitally by going to: www.westlakecharter.com/base-2/, and clicking the "Volunteer Sign-Up Form" link on the right hand side to fill out the e-form.

Thank you for your support and, as always,

LET'S EXPLORE!
