

## Weapons And Dangerous Instruments

The Charter School desires students and staff to be free from the fear and danger presented by firearms and other weapons. The Board therefore prohibits any person other than authorized law enforcement or security personnel from possessing weapons, imitation firearms, or dangerous instruments of any kind in school buildings, on school grounds or buses, or at a school-related or school-sponsored activity away from school.

### Possession of Weapons

In order to maintain order and discipline in the Charter School and to protect the safety of students, staff and the public, any school employee is authorized to confiscate a weapon, dangerous instrument or imitation firearm from any person on school grounds.

Students possessing or threatening others with a weapon, dangerous instrument or imitation firearm are subject to suspension and/or expulsion in accordance with charter school policy and the law, Board policy and administrative regulations.

The Executive Director, Principal or designee shall notify law enforcement authorities when any student possesses a weapon or commits any act of assault with a firearm or other weapon. Upon written permission of the Executive Director, Principal or designee, a student may possess a weapon on school grounds when necessary for a school-sponsored activity or class. The Executive Director, Principal or designee shall inspect the weapon to ensure that necessary safety precautions have been taken.

### Reporting of Injurious Objects

The Charter School encourages students to promptly report the presence of weapons, injurious objects or other suspicious activity to school authorities. The identity of a student who reports such activity shall remain confidential to the extent permitted by law.
