## Practice Your Way to Westlake Day!

We are inviting our community to practice their route to our Mabry campus on Saturday, May 13th. We will round up at Valley Oak Park with coffee and donuts. You will have the opportunity to take a perimeter walking tour of the new campus with Mr. Eick. For those families who are available for an hour of community service, they can join us as we introduce ourselves to our new neighbors.

Here's how it works:

### Do you live close enough to the campus to walk/bike/scoot?

- Great! Practice the route you will use and walk/bike/scoot to Valley Oak Park as a family. Plan your route to arrive at 10:00am for coffee and donuts!

### Do you need to drive to the new campus?

- No problem! Meet us at one of our Drop and Walk sites!
  - Join us at 9:30am at Burberry Park for our Walking School Bus! Mrs. Battin and NNTMA will kick off the walk from the southeast corner of Burberry Park (at the corner of Club Center and Northborough). Families are encouraged to walk together for this practice day; however, during the school year, this will be a chaperoned walk and parents have the option to drop their children off to walk with the group.
  - For older students who can walk on their own, you might choose to practice to Drop and Walk from Elderberry Park. Plan your route to arrive at 10:00 am at Valley Oak Park for coffee and donuts.

**10:00 am Coffee and Donuts at Valley Oak Park**

**10:30 am Optional Perimeter Tour of the New Campus with Mr. Eick**

**11:00 am Optional Community Service Hour:** Families will have a map with a script and set out into our new neighborhood to introduce ourselves with the Sac News & Review article and a Ways to Westlake flier.

We are asking that all families complete [this survey](#) to help us get an idea of your Way to Westlake for next year!
