Telephone Use

WCS's telephones are for business use by the staff. Students may only use their cell phones before and after school. **Cell phones must be turned off or turned into their teacher during the school day and kept in a safe, well-hidden place.** WCS recognizes that parents are concerned about their students' safety; however, cell phones that disrupt the educational process will not be tolerated and will be confiscated. If a student has a cell phone out or on during the school day, it will be confiscated and ONLY returned to a parent or guardian. Confiscated phones will not be returned to students. In addition, WCS personnel are not responsible for lost or stolen cell phones. Students/parents assume all responsibility for cell phones.

Parents wishing to leave emergency messages for their children may do so by contacting the office at 567-5760 (Del Paso) 928-3987 (Pebblewood). Any article to be delivered to children should be left in the office, where it will be held until your child picks it up. Children are requested to wait for rides in front of the school. Students are requested not to use the office phone for personal reasons unless they are ill or in an emergency. Classroom phones may be available for student use, should there be a situation needing urgent attention.
