

BASE FEBRUARY NEWSLETTER

What's Happening at BASE

BASE Community Service Month

This month, BASE is focusing on giving back to our community. We are pleased to work with two amazing organizations that help those in need in and around our community. Here are two ways to help:

- **Food Drive:** Canned food donations will be given to Joey's Food Locker, a group who benefits those in need here in Natomas. Food donation boxes will be located in BASE 1 (B109), BASE 2 (F107) and the Front Office.
- **Book Drive:** New and gently used books will be donated to the Salvation Army for their Family Rehabilitation Center Library. Book Donations will be accepted in BASE 1 and BASE 2.

Food and Book donations will be available February 4th-February 28th

In addition, our middle school students will be making notebooks and putting together drawing kits for children in a local hospitals.

Dates to Remember:

BASE CLOSED February 18th
President's Day

BASE OPEN 7am-6pm February 19th-22nd
February Break

**LET'S
EXPLORE!**

**LET'S
HAVE FUN!**

Things to Know:

Before you know it, Summer will be here! While the kids may not have school, you may still have work. As you start to plan for Summer, consider BASE!

At BASE, your student will have fun participating in a variety of activities of their choosing. Previous summer program activities have included Science, Cooking, and Art, as well as Water Play Days and Parties.

As always, BASE is a drop-in program, so it's easy to schedule as well. Look for Summer Registration Packets in April!
