## What's Happening at BASE

### WELCOME BACK EXPLORERS!

BASE students had so much fun this Summer! The kids enjoyed choosing what they wanted to learn each day, Water Days and going to the park. We are really looking forward to our activities this coming school year and hope your students can join us for the fun! BASE will be open the first day of school, August 7th, at 7am - we look forward to seeing all our Explorers bright and early!
