IMPORTANT

School Dismissal Manager is an important safety tool. Please make sure to update your students' dismissal instructions to indicate where your student is supposed to be after school.

Thank you for your support!

September activities for our K-4th grade students will include: Fall-themed art projects; learning about the power of the wind by making Wind Turbines, and making some yummy snacks like cake pops and fruit salad.

Our 5th-8th grade students have the flexibility to create and explore art at their own pace. They will also learn about propulsion by making rockets using 2-litre bottles, vinegar and baking soda.

Dates to Remember:

September 2nd
CLOSED for Labor Day

October 7th-11th
OPEN for Fall Break 7am-6pm

Join us for lots of fun Fall activities!

Things to Know:

REGISTERING FOR BASE IS EASY!

Complete, sign and return the 19/20 Registration Packet to BASE. Packets can be found online and in the BASE rooms (B109 and D110). Please keep the top 2 pages for your reference.

If you need any help completing the packet, please stop by either BASE room and we'll be glad to help!
