

# Our students are Explorers. We are looking for Explorer Partners.

## INVITATION TO PARTNER

At Westlake Charter School, every Explorer attends field lessons — every grade, every year, no exceptions. Explorer Partners help us go further, deepening those experiences and expanding what's possible for our students and our school community.

While many families can make donations to help send our Explorers on field lessons, we understand that some student families cannot. We believe that these explorations are a critical part of our curriculum and therefore no student is ever left behind. When a local business sponsors an Explorer, they become a part of our commitment — they become an Explorer Partner.

## OUR MISSION

*"We demonstrate what is possible when school and community collaborate to create inspiring adults with the academic and social-emotional readiness to lead as Global Citizens."*

**\$200**

The average yearly cost of field lessons for one Explorer across all grade levels.

**1,500**

Explorers served across K–12

**~35%**

of our students qualify as socioeconomically disadvantaged — your gift bridges the gap

**100%**

of proceeds go directly to field lessons

## Partnership Levels

ALL PROCEEDS SUPPORT FIELD LESSONS · TAX-DEDUCTIBLE

All Explorer Partners are featured on our website, promoted weekly to 1,000+ WCS families via the Westlake Weekly.
