- V. PUBLIC COMMENTS:** This portion of the meeting is set aside for the audience to make comments or raise issues that are not specifically on the agenda. Comments are limited to two (2) minutes per person. This agenda item is included for the purpose of giving anyone in attendance an opportunity to ask questions or discuss non-agenda items with the Board of Directors. The Board President may elect to defer public comment on specific issues that appear on the regular agenda until that specific item is addressed. This time is for receipt of public comment, not debate. The Board will not enter into a dialogue with those making public comments. Questions from Board Members will be for clarification purposes only. Public comment will not be used as a time for problem solving or reacting to comments, but rather, for receiving information only. The public comment period will not be used to air personal grievances, make political endorsements or for political campaign purposes, nor discuss matters which are the subject of public hearings. Discussions between speakers and members of the audience shall not be allowed. If visitors have a complaint about a specific employee of the school, they will be asked to submit an oral or written complaint to the employee's immediate supervisor as required by Board Policy #08-03.
